Dear Friends and Colleagues,

As followup to our March 12 and 15 messages on the Covid-19 virus and stock market volatility, we want to send you this list of useful links to government information and services. We also have links to government agencies and services outside the U.S., and states other than New York, and in languages other than English, available on request. If you need any assistance navigating the various emergency assistance measures available, we are open, available and ready to assist you on a *pro bono* basis.

In other news, the U.S. Senate yesterday approved the emergency relief bill that the House of Representatives passed on March 14. The bill, which provides for free testing, food assistance and up to three months paid family and medical leave benefits, is now heading to the White House for the President's signature. As before, our best wishes to you, your families and colleagues for getting through this crisis as rapidly as possible and emerging on the other side.
