## **Lessons Learned from Leading Crypto/Stablecoin Offerings and Fund Formation**

We at Kurtin PLLC have now led over a dozen cryptocurrency/stablecoin and other digital token offerings and capital raises with an aggregate value of hundreds of millions of dollars, often in connection with fund formation and often cross-border, with non-U.S. sponsors ranging from the UAE to Canada and Mexico accessing the U.S. capital markets and Blockchain infrastructure. We have reported extensively on the rapidly changing legal, regulatory and finance environment in the U.S. As the year-end approaches, we wanted to distill our reports into one advisory for our clients' and prospective clients' convenience. This year's principal crypto/stablecoin-related advisories are linked below. You can also find them, with other resources, on our website at [Kurtin PLLC Information Technologies, Blockchain & Internet](#).
